

EBBERTS 903

Medium Maturity - Smooth Head Type

Unbeatable Multi-Year Consistency

Topped the OSU Yield Trials in 2019

Heavy Test Weight

Head Scab Resistant

Notes and Management: KILLER PERFORMANCE year in year out, TOP 5 finish out of 80 varieties in the 2019 OSU State Yield Trials. Excellent straw strength and standability in high management and 100 bushel yield environments. Heavy test weight plus genetic head scab resistance. Excellent overall disease package and our best on Stripe Rust. Versatile placement, works well in all soils.
